Related Experience

WKYT-TV - Lexington, KY - *January 2005 – July 2008*

Webmaster / Designer / Content Manager – Excelled at designing and maintaining WKYT.com and WYMTnews.com. Completely redesigned website overall look and feel increasing annual page view from 15 million in 2004 to an expected 50+ million by end of 2007. Averaging 5 million+ page views per month and maintaining 350,000 to 400,000 monthly visitors. Provided “community feel” to the site by implementing a community calendar, a photo and video gallery, and various staff blogs using php scripts. Provided our viewers a voice by adding user commenting to news stories. Launched live streaming all newscasts live over the net. All of these are firsts for news websites in our market. I have also worked in both production and systems departments as camera and Chyron operator.
